From application to paid — step by step

Remote EU partners · Smartphone · Stripe · Contract-backed

What is The Euro Partner?

The Euro Partner recruits trusted people across the EU to work **100% from home** on their smartphone. You join under a **signed partnership contract**, complete identity verification (KYC), receive payments via **Stripe in your own name**, and keep your partner share — typically **€20–30 per day** when active (not guaranteed).

Who can apply?

- ✓ Resident in an EU country (priority: Germany, Greece, Italy, Spain)
- ✓ English plus German, Greek, Italian, or Spanish
- ✓ Valid passport or accepted ID for KYC
- ✓ Adult under 75 years of age
- ✓ Smartphone and reliable home internet
- ✓ Ability to open Stripe in your own legal name
- ✓ Honest KYC — photos must be clear and yours

Your journey — 7 simple steps

Follow this path in order. Most partners who qualify move from application to earning within **3–7 days** once Stripe and KYC are complete.

1	Apply online 2-minute form at theeuropartner.com/apply.html — country, languages, contact details.
2	We review If you fit (English + local language, passport, under 75, Stripe-ready), we contact you quickly.
3	KYC verification Complete kyc.html — ID photos, address, proof of address, accept programme terms.
4	Contract by email You receive a welcome email with your partnership agreement PDF (signature + KYC on file).
5	Stripe setup Open Stripe in your own name — this is how partner payments reach you.
6	Start activity Accept assigned tasks from your phone under the contract.
7	Get paid Typical active partners report around €20–30 per day in spare time (not guaranteed).

KYC — what to prepare

After we invite you, complete verification at theeuropartner.com/kyc.html. Use good lighting and real photos (no screenshots).
